

# Humanity's Growth Tension Points

## Understanding Unpredictably Changing Events

### LOCAL STABILIZERS

- **Political:** Continual societal adjustments and improvements, without violence and destruction.
- **Religious:** Creating unifying moral and ethical frameworks for greater cooperation within groups.
- **Family:** Favoring genetically-linked individuals with exclusive support, advantages, and opportunities.

### GLOBAL ACCELERATORS

- **Financial:** Increased expansion of economic cooperation and competition across political borders.
- **Scientific:** Increased transforming of natural processes and forces into usefully predictable formulas.
- **Technological:** Endless combining of existing capabilities into unpredictably better capabilities.
